## Nora Chandelier By Dainolite

### Description

A linear design based on right angles gives the Nora Chandelier a go-with-anything appeal. The effect is fashionably contemporary, while incorporating elements of vintage design. The metal frame features vertical arms that are angled upwards at 90 degrees. Available with or without rounded clear glass shades. Note: Not all options are available.

### Specifications

|                   |                                      |
