Samantha Linear Chandelier

By Dainolite

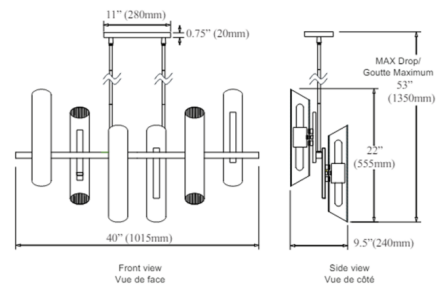

Description

The Samantha Linear Chandelier is an ornate piece making time inside the dining room or kitchen a memorable one. It's a dashing piece hanging over a table surface with a sleek metal structure. The metal gives the piece a pop of rich color that draws the eye from across the room. Also catching the eye, clear fluted glass produces elegant linear marks in the air and reflective accents.

Shown in polished chrome / clear
