Sonus Pendant By Dainolite

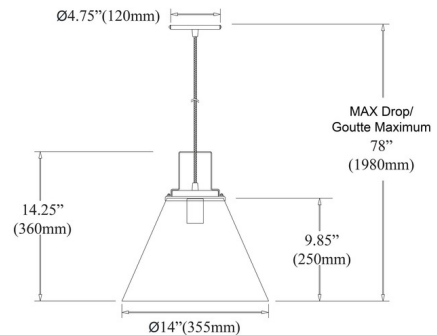

Description

Sleek lines and eye-catching detail create the high fashion contemporary style for this Sonus Pendant. Color variations give it several different moods from chic monochromatic black to captivating contrasts. The all-metal construction begins with a simple cord drop, and a squared linear element at the top, contrasting the longer, curved lines of the tapered drum style shade. It's a contemporary look inspired by classic lighting designs. Sonus lighting adds an undeniable note of luxury to kitchens, dining rooms, foyer, and main hallways.
