Valemont Plug-In Wall Sconce

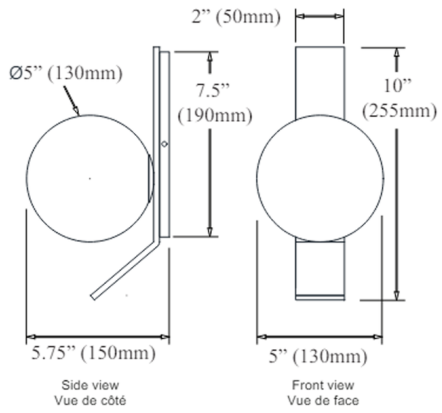

By Dainolite

Description

The Valemont Plug-In Wall Sconce satisfies in its visually balanced geometric presentation. The design powers with components hidden in its low-profile backplate. Crafted in metal, the backplate's front panel angles forward for a touch of alluring depth. The globe shade on top appears to defy gravity. Turning on with an included switch on cord, the lamp shines through the shade with minimal glare and a generous ambiance.

Shown in matte black / opal white
