## Axis Double Wall Sconce By Hammerton Studio

### Description

The Axis Double Wall Sconce is an eye catching use of recycled glass to create functional art. Is it ice or diamonds, you decide. Pairing hand polished metalwork with thick artisan cast glass and excess materials from glassblowing creates the unique characteristics of this luxury light that will dramatically refract light in surprising ways. May be mounted horizontally or vertically. Available with 2700K or 3000K color temperature options.
