Northern

**DESCRIPTION**

The Ink Wall Sconce features a bold geometric silhouette with a concave disc-shaped shade that reflects light directly onto the wall. A halo of light from the integrated LED light sources peeks from behind the shade to bring a warm glow to the room. The fixture's matte black finish will create a striking contrast when placed on a light colored wall, like a droplet of ink on a blank page.

<b>SHADE COLOR</b>	N/A
