Element 790 Desk Lamp

By Humanscale

Description

Featuring advanced LED technology, the Element 790 combines aesthetics with unmatched lighting performance. Using only six watts to produce incandescent lighting levels, the Element series boasts a 50,000-hour lifespan of 25 years of daily use in a typical 9-to-5 office environment. The upgraded Element 790 version also offers an expanded color palette and an intuitive dimmer control to offer seven levels of light intensity and greater energy savings. 6 watt, 120 volt, LED light source included. 8W x 18H x 28 inch maximum reach.
