DESCRIPTION

Ensure your indoor or outdoor space is filled with warm, ambient light with the Forest Portable Floor Lamp. Made from polyethylene resin with shock-resistant frame, this lamp is sturdy and safe while in use. This modern lamp is made from 100% recyclable material and is lightweight, making it easy to use the lamp around your home if need be. Thanks to the LED engine, this lamp shines light that is the equivalent to 8,000 hours of natural sunlight. Use this contemporary lamp to brighten up your bedroom, living room, or front yard. Features internal lighting with battery-powered RGBW LED technology. Includes charger and remote control for switching colors. Nine programmed RGBW color options with three white LED color temperature options (Warm White 2700K / Natural White 4000K / Cool White 6500K).
