DESCRIPTION

The Amelia Linear Multi Light Pendant has the ostentatious and basic form that accentuates and explores the elegance and balance between two handcrafted materials with their smooth finish. The tubular shape with its edged terrace combines two honest materials that give a slight flavor of the 1950s. Features a Saman Wood shade and Brass or Black powder coated finish. Saman wood is a tropical wood from Mexico with fine texture and open grains. Available in 3, 5, and 7 light options with a Black or White canopy. Handcrafted in Mexico. Note: 7 light option must be staggered in height to accommodate canopy length.
