IC Lights Outdoor Wall / Ceiling Light By FLOS

Description

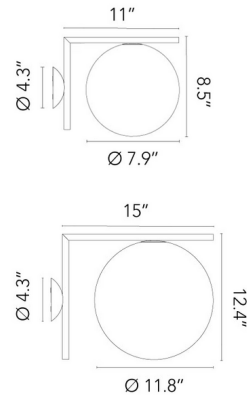

Extend the iconic balance and elegance of Michael Anastassiades' IC series to your outdoor environments with the Flos IC Lights Outdoor Wall / Ceiling Light. This fixture is a study in refined simplicity, featuring a beautifully white translucent blown glass globe gracefully supported by a slim metal stem. Designed specifically to withstand outdoor environments, it provides a perfect lighting solution for walkways, lounging areas, and other exterior settings, adding a touch of sophisticated allure to your landscape. The IC Lights Outdoor Wall / Ceiling Light is available in two versatile widths: a compact 7.9 inches (known as CW1) and a more expansive 11.8 inches (CW2), allowing for flexible application and scale. Its durable construction ensures longevity and performance in varied weather conditions, while its diffused glow creates a welcoming and inviting ambiance. This fixture is an ideal choice for designers and homeowners seeking a seamless transition of modern elegance from indoor to outdoor spaces.
