Galerie Wall Sconce

By Fontana Arte

Description

The Galerie Wall Sconce is inspired by the antique oil lamps of the Belle Epoque. The distinguished diffuser, features four layers of hand-blown glass, with the inner and outer layers being two different colors to transform the appearance of the shades from white to amber when lit. The shade features a leather strap detail, allowing the diffusers to be positioned at various heights. The slim stem rests on a Carrara marble backplate. Made in Italy.
