## Click 6IN Round Surface Mount Light By Green Creative

## Description

The 6 Inch Round Click Surface Mount Light features a shallow depth of just 1 inch below the ceiling and is designed for new construction, remodel, and retrofit applications. Mounts to a 4 inch junction box and 4, 5 and 6 inch recessed housings. Features a die-cast aluminum heat sink, smooth polycarbonate lens, and steel bracket to mount to standard 4 inch junction boxes from below the ceiling. Available in an 11 watt standard and 15 watt high output option and installs almost everywhere with wet location, IC and Air-tight ratings. Includes a 120V LED driver, dimmable to 10% with most forward or reverse phase dimmers (see attached manufacturer reference for dimmer compatibility).
