Radiant Smart Plug-In Switch with Netatmo

By Legrand Radiant

Description

The radiant Smart Plug-In Switch with Netatmo technology controls lamps, curling irons, fans, and other small appliances from smartphones and tablets with the Legrand Home + Control app. Schedule them to turn on/off automatically, create groups, set scenes and monitor energy usage. No wiring required. Simply plug in to an existing 120 volt electrical outlet. Can be paired with a Smart Switch or Wireless Smart Switch for remote control.Smart Gateway hub is required and sold separately.Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems.
