Radiant Smart Plug-In Tru-Universal Dimmer with Netatmo
By Legrand Radiant

Description

The radiant Smart Plug-In Tru-Universal Dimmer with Netatmo technology controls table and floor lamps (using any 120 volt dimmable bulb) from smartphones and tablets with the Legrand Home + Control app. Schedule them to turn on/off automatically, create groups, set scenes and monitor energy usage. No wiring required. Simply plug in to an existing 120 volt electrical outlet. Can be paired with a Smart Tru-Universal Dimmer or Smart Wireless Dimmer for remote control. Smart Gateway hub is required and sold separately. Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems.
