Radiant Smart Outlet with Netatmo

By Legrand Radiant

Description

The radiant Smart 15 Amp or 20 Amp Outlet with Netatmo technology offers solutions for larger homes with many smart products. Start with the Smart Gateway to establish a dedicated network, then add smart switches, dimmers and outlets. The smart outlet installs easily in place of an existing outlet. Can be wired to extend control to all outlets downstream or load-side. One outlet is app-controlled while the other is always on. Features a tamper-resistant shutter system that prevents improper insertion of foreign objects with black invisi-shutters for an invisible effect. Screwless single gang wall plate included. Smart Gateway hub is required and sold separately. Coordinate with other switches and outlets, sold separately.Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems.
