Radiant Smart Surface Mount Gateway with Netatmo

By Legrand Radiant

Description

The radiant Smart Surface Mount Gateway with Netatmo technology is designed to install beside an existing single gang switch or outlet, no back box or network wiring required. Enables control of a home's smart lighting through the Legrand Home + Control app which allows for scheduling, groups, setting scenes, managing energy usage and much more. Offers flexibility with a variety of supported smart switches, dimmers and outlets, including wireless switches and dimmers. Compatible with all radiant with Netatmo and adorne with Netatmo smart devices, sold separately. Screwless wall plate included. Coordinate with other switches and outlets, sold separately.Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems.
