

BRAND SKLO

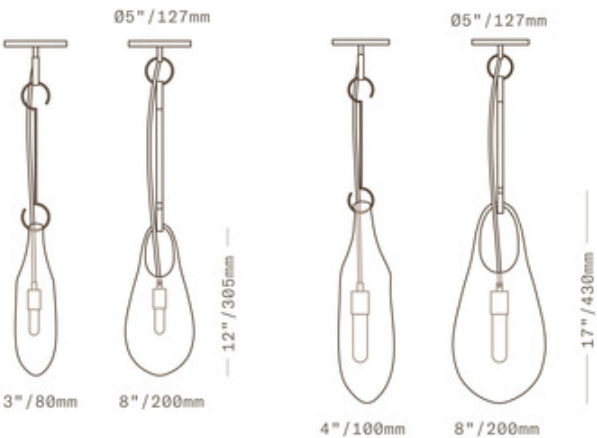

DESCRIPTION

The Hold Pendant features an expressive glass vessel, appearing to droop from a double-ended brass hook hanging from a loop at the canopy. A Brass socket is held from a fabric-wrapped electrical cord and suspends the light bulb within the opening of the glass. Accommodates sloped ceilings. 12 inch size is Damp Location rated. Note: Overall drop length must be specified when ordering. Small size: 28 to 42 inches. Large size: 33 to 48 inches. Custom drop lengths available for an additional fee.
