Gianna Pendant

By AFX

Description

The Gianna Pendant employs a striking and uniquely contemporary style to create a presence in living rooms, dining areas, and kitchens that can't be matched. Framed out in angular metal forms, it features a set of integrated LED lighting that emits both even light and a singular style. It's made with an understated design and easygoing approach to high fashion ideals that gives a powerful finishing touch to any space. TRIAC and ELV dimming.

Shown in black / frosted
