Adan Planter By Vondom

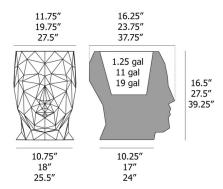

Description

Perfect for indoor and outdoor use, the Adan Planter is as versatile and stylish as planters come. This unique planter is made from 100% recyclable, shock-resistant material making it well-suited for year round use. This versatile planter features drilled holes at the base of the planter, ensuring your plants are water logged. Use this stylish planter to house your favorite flowers, vegetables, herbs and more. Note: Not all sizes are available.
