Adan LED RGBW Table

By Vondom

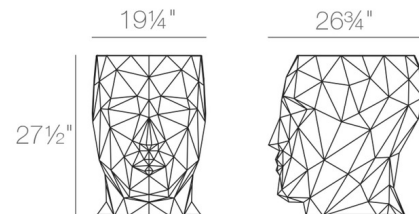

Description

Upgrade the table options in and around your home with the Adan LED RGBW Table. The table is made from 100% recycled Polyethylene Resin and is crafted with a lightweight, shock-resistant design. This LED battery-powered table can be used inside or outdoors on the porch. Remote control and charger included. Nine programmed RGBW color options with three white LED color temperature options (Warm White 2700K / Natural White 4000K / Cool White 6500K).
