Description

The Arrival Floor Lamp by Artemide, a brilliant creation from the minds of Ludovica + Roberto Palomba, stands as a captivating sculptural piece, defining spaces with its graceful presence and ethereal glow. Its design is a harmonious symphony of delicate curves and organic lines, forming a visual anchor that draws the eye and calms the room. Crafted with a sleek Aluminum exterior, the lamp's true magic lies in the soft, luminous light that seems to effortlessly emanate from within its form, thanks to an integrated silicone diffuser. This innovative construction ensures a beautifully uniform illumination that is both inviting and comfortable.
