Klaus Chandelier By Arteriors Home

Description

The Klaus Chandelier adds a radiant elegance to your interior environment. Seedy slump glass panels are secured to an iron framework, forming a drum-shaped shade. The gentle glow emitted by the light amplifies the atmospheric quality and highlights its radial design. The textured detail and wavy form of the panels collaborate effectively, providing a rich visual texture. Canopy: 4.75 inch hexagon. Additional downrods are available, and sold separately, under sku PIPE-457

Shown in antique brass / smoke
