## Exhaust Classic Multi Light Pendant

By Buster + Punch

### Description

The impressive Exhaust Classic Chandelier features pendants made from solid metal with B+ P's signature linear-knurl pattern. Burnt Steel: Made from solid Stainless Steel and exposed to excessive heat to create a unique rainbow of blue, purple, and yellow. No two are exactly alike. Brass: Made from precision-machined solid brass and finished with two layers of durable satin lacquer. This finish will age slowly, moving from radiant brass to deeper and golden within a few years. Gun Metal: Made from Stainless Steel and then finished with Gun Metal PVD. Will stay the same for years to come. Easy to clean. Steel: Made from solid stainless steel and refined by hand. Steel is Buster + Punch's most durable finish and will remain the same for years to come. Note: Please specify overall drop length when ordering. Drop length is not field-adjustable.
