## Stem Pendant

By hollis+morris

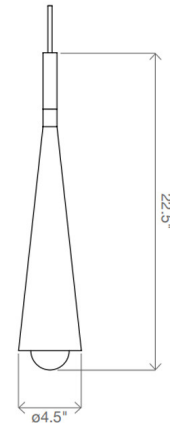

### Description

Inspired by nature, the Stem Pendant is crafted out of solid white oak or walnut with a brushed metal accent. At the base of the wooden spire, a hand-blown frosted glass light glows like a flower blooming on a stem. The canopy is an unobtrusive powder-coated ceiling white. This slim pendant hangs gracefully from above, perfect for lighting a pair of nightstands or a modern dining area.

Shown in brushed copper / natural oak
