Dottie Small Pendant By Visual Comfort Studio

Description

Playful and simple, dots are a signature graphic motif of the kate spade brand. Dressed in a whimsical dot pattern cut into metal, the Dottie Small Pendant creates a fun ambient light effect. The shade and body are crafted from steel, with the body finished in either a sophisticated metallic tone, or matte white for a modern monochromatic look. Use a pendant to light a small table, or hang several in a series over a long counter.
