## Monroe Wall Sconce

By Visual Comfort Studio

### Description

Drawing influence from Kate Spade enameled accessories and the colorful atomic era design of the 1950s, the Monroe Wall Sconce exhibits clean lines with a painted stem and contrasting metal backplate. A white linen shade complements the frame and softens the light. With its chic finishes in neutral tones or fun pops of color, the Monroe delivers a refined modern aesthetic for your bedroom, living room, or hallway.

Shown in burnished brass / gloss white / white linen
