Renew Designer Ceiling Fan with Light By Kichler

Description

The Renew Designer Ceiling Fan with Light brings a fresh, tailored look to interior spaces as well as covered outdoor areas. Inspired by the clean lines of a Nordic Vase, it has a smooth design featuring gently curved blades and sleek motor housing with no visible vents. It features 5 reversible wooden blades, a 52 inch blade sweep, 12 degree blade pitch, 4.5 inch downrod, and 153 mm x 18 mm AC motor. An integrated LED light diffused by frosted white etched opal glass provides illumination. The included basic function hand-held remote control system enables 3 forward speeds, motor off, and lights on/off with full-range dimming. Reverse can be set using the switch on the fan. This fixture is low ceiling adaptable with the included dual mount. Optional controls and downrods are sold separately. Available in:- Brushed Nickel finish with reversible Satin Black and Silver blades- Matte White finish with reversible Matte White and Distressed Antique Gray blades- Satin Black finish with reversible Satin Black and Silver blades- Satin Natural Bronze finish with reversible Cherry and Walnut blades
