Brahm Ceiling Fan with Light

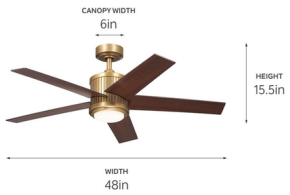

By Kichler

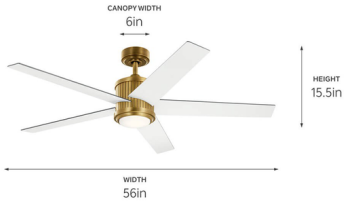

Description

The Brahm Ceiling Fan with Light features eye-catching vertical ribbing that stems from traditional furniture design yet gives the fixture a modern luxe industrial look. Reversible blades let you tailor the color scheme to suit your design style. An integrated LED light shines through an etched cased opal glass diffuser, providing plenty of ambient light. A 65K full function hand-held remote control is included and enables motor on/off, 3 speeds, forward and reverse, and light on/off with full-range dimming. Optional accessories are sold separately.
