Eastmont Chandelier

By Kichler

Description

The Eastmont Chandelier combines a wagon wheel look with a modern chandelier style. Finely fluted socket covers convey a subtle industrial vibe, and the Polished Nickel option features a Walnut Wood wheel finish echoed at the canopy for a unique mixed-finish design. Double-tiered clear glass shades show off the bulbs inside; or, the fixture can be styled without the shades. This piece adds a splash of updated vintage character to a range of design schemes, from rustic to contemporary.
