Finnick Swing Arm Wall Sconce

By Kichler

Description

The lithe, mid-century style Finnick Swing Arm Wall Sconce features Champagne Gold arms with Natural Maple accents, paired with a clean, white steel shade. For light direction adjustment, the head tilts up and down 41 degrees and the entire fixture swivels from side to side. Enjoy a focused, downward light with no light leakage from the top of the shade. The Finnick brings playfulness to your space, and is perfect as a bedside reading lamp or as wall lighting for dining rooms and living rooms.

Shown in champagne gold / white
