

BRAND Kichler

DESCRIPTION

Part sculpture and part light, the artistic Trentino Wall Sconce is composed of a tubular shade with angled opening paired with a thin bent stem. Its character shines best when set in mid-century modern decor. The shade swivels and has a white interior, providing a bright light that can be directed where needed. This sconce can be hard-wired or a plug-in. On/off switch on shade.

Shown in: Natural Brass / Natural Brass

SHADE COLOR	Natural Brass
BODY FINISH	Natural Brass
