

BRAND

Kichler

DESCRIPTION

The Eyrie Fandelier Ceiling Fan makes a statement with its perforated metal shade on the outside and ceiling fan with lights on the inside. It is perfect for adding modern industrial appeal to stairway landings, galley kitchens, small bedrooms, and other small spaces. It can also be installed in multiples for larger areas such as a bar or restaurant. The Eyrie has 3 ABS blades, 13 inch blade sweep, 21 degree blade pitch, a 6 inch downrod, and an 8225X1 AC motor. The included limited function wall control system enables 3 forward speeds, motor on/off, and lights on/off with full-range dimming. Reverse can be set using the switch on the fan. Optional controls and downrods are sold separately.
