Maeve Ceiling Fan with Light

By Kichler

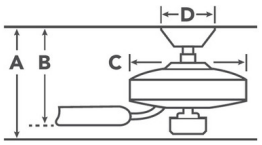

Description

Defined by smooth lines and contemporary finishes, the Maeve Ceiling Fan with Light is an ideal focal point for transitional settings. A satin etched cased opal glass diffuser softens the light, and an accent band where the blades meet the housing creates a pop of contrast. This fixture has 5 wooden blades, a 52 inch blade sweep, 12 degree blade pitch, 4.5 inch downrod, and 153 mm x 20 mm AC motor. The included 65K full function hand-held remote control system enables 3 speeds, forward and reverse, motor on/off, and lights on/off with full-range dimming. Optional controls and downrods are sold separately. Available in:- Brushed Stainless Steel finish with Silver blades- Matte White finish with reversible Matte White and Silver blades- Satin Black finish with reversible Satin Black and Silver blades

Shown in brushed stainless steel / silver

With 4.5” Downrod

A: 14.75”
B: 10.5”
C: 8.75”
D: 6”
