## Daya Ceiling Fan with Light

By Kichler

### Description

The Daya Ceiling Fan with Light has a modern industrial vibe with its sleek finish and distinct cage around the light. The integrated LED light is diffused by an etched cased opal glass cover. The fan has 5 ABS blades, 54 inch blade sweep, 12 degree blade pitch, a 4.5 inch downrod, and a 172 mm x 20 mm AC motor. The blades are made of durable lightweight ABS plastic, which prevents warping in moisture. The included 65K full function hand-held control system enables 3 speeds, forward and reverse, motor on/off, and lights on/off with full-range dimming. Optional controls and downrods are sold separately.

Shown in brushed nickel / silver
