Renew Energy Star Ceiling Fan

By Kichler

T20

Description

The Renew Energy Star Ceiling Fan was inspired by a Nordic Vase and features a soft, modern design with gently curved blades and no visible vents in the motor housing. It is Energy Star Qualified, due to its large, energy-efficient DC motor that offers superior air movement. The fan has 5 reversible wooden blades, a 52 inch blade sweep, 12 degree blade pitch, 4.5 inch downrod, and 155 mm x 16 mm DC motor. A 3-speed pull chain is included, and reverse can be set using the switch on the motor housing. This fixture is low ceiling adaptable with the included dual mount. Optional controls and downrods are sold separately. Available in:- Brushed Stainless Steel finish with reversible Satin Black and Silver blades- Matte White finish with reversible Matte White and Distressed Antique Gray blades- Oil Brushed Bronze finish with reversible Cherry and Walnut blades- Satin Black finish with reversible Satin Black and Silver blades
