Cavelli Fandelier Ceiling Fan with Light By Kichler

Description

With a dark finish complemented by contrasting Natural Brass accents, the Cavelli Fandelier Ceiling Fan with Light makes a statement as a two-tone vintage industrial piece. A decorative lighting fixture on the outside and fan on the inside, it delivers the best of both worlds. Its compact size makes it perfect for smaller area applications. It has 3 ABS blades, 13 inch blade sweep, 21 degree blade pitch, a 6 inch downrod, and an 8225X1 AC motor. The included limited function wall control system enables 3 forward speeds, motor on/off, and lights on/off with full-range dimming. Reverse is set using the switch on the fan. Additional optional downrods and controls are sold separately.
