Unica Shelving Ceiling By Nomon

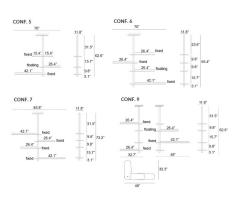

Description

The Unica Ceiling-Mounted Shelving System invites the user to participate in its design. Configurations 5, 6, and 9 feature a floating shelf that can be swung to the right or left to suit your needs while Configuration 7 features four fixed position shelves. A central rod hangs from the ceiling and stabilizes the shelves which are fixed to the wall or floating. Configuration 9's shelves can be arranged around a corner. This functional, visually unique design offers fresh, modern style for your space. Assembly required.
