

BRAND Pacific Coast Lighting

DESCRIPTION

The Driftwood Table Lamp blends coastal and contemporary styles with a faux wood resin base. A wood like texture and rounded cutouts within the body create a natural feel, but are contrasted by the body's rectangular silhouette. A rectangular shade and metal foot with an acrylic accent add more right angles for a modern touch. Available in White finish with White shade or Natural finish with Grey shade. On/off switch on socket.

SHADE COLOR	White
