Stratum Wall / Ceiling Light

By Studio M

Description

A series of thick glass circles are layered behind a disc finished in Natural Aged Brass, forming the unique Stratum Wall / Ceiling Light. An LED ring shines on the golden disc and light is emitted from behind in all directions, highlighting the curved, offset glass outlines. This eye-catching Stratum elevates your lighting design and can be installed as a semi-flush ceiling mount or wall mount. The 2022 Chicago Athenaeum Museum of Architecture & Design Good Design Award winner.
