120V LED310 Round Step Light By WAC Lighting

Description

120V LED310 Round Step Light features a sleek profile with no visible hardware, designed to seamlessly blend into any architecture. These luminaires offer enhanced energy efficient functionality and optimized light output to adequately illuminate stairs, walls and walkways with little or no glare. Designed for safety and style on stairways, patios, decks, balcony areas, walkways and building perimeters. Cast aluminum body construction is sealed for both indoor and outdoor applications. No driver needed. Supplied with junction box for recessed new construction or retrofit installations. Up to 200 fixtures can be connected in parallel. Dimmable to 10 percent with an electronic low voltage dimmer.

Shown in bronze / clear
