Luna XL Linear Chandelier

By Gabriel Scott

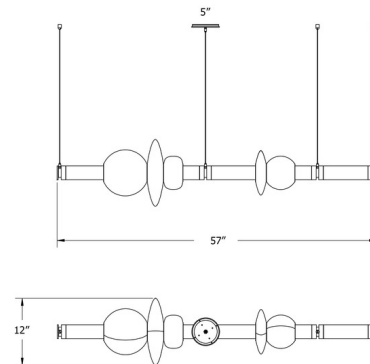

Description

The Luna XL Linear Chandelier is a glamorous lighting fixture that offers a soft glow to elevate any space. It features two large White Glass Tubes to diffuse the light and hold various colors of Handblown Glass shapes. Note: Remote driver included and can be installed in the ceiling or in a remote location (up to 50 feet away). To install the driver in the canopy, a deep canopy is required (GS-CAN-110V-DEEP-SINGLE), sold separately. Due to the weight of this fixture, additional ceiling support is required.

Shown in satin brass / white glass
