

BRAND

Philips Hue

DESCRIPTION

The Hue A19 Bluetooth Smart Bulb Starter Kit includes two A19 medium base bulbs and a Hue Bridge, the hub of Hue's smart lighting system. The two Philips Hue A19 bulbs provide a sufficient level of warm white light that is bright enough to read on the couch, listen to music, or simply relax in your bedroom. The bulbs offer instant dimming from bright daylight to low nightlights and are suitable for most light fixtures. This product includes the Philips Hue Bridge that supports up to 50 lights and smart accessories throughout your entire home. The Hue Bridge allows for compatibility with many smart home platforms, assistants and products including: Amazon Alexa, Apple HomeKit, Google Assistant, Microsoft Cortana, IFTT (If This Than That), Razer, Samsung SmartThings, Spotify, and Corsair.
