DESCRIPTION

The Philips Hue A19 White Ambiance Starter Kit includes four A19 medium base bulbs and a Hue Bridge, the hub of Hue's smart lighting system. Connect your Hue lights to the Hue Bridge (included) to control your lights from your smart device by downloading the free Philips Hue app, or control using a Hue dimmer or wall switch module, sold separately. Dimmable from warm to cool and offers over 50,000 shades of white. Choose preset light settings or select your own custom settings. Schedule lights to come on when you're away, set timers, notifications, alarms, and more. Control your lighting system hands-free if you've got a voice assistant. This product includes the Philips Hue Bridge that supports up to 50 lights and smart accessories throughout your entire home. The Hue Bridge allows for compatibility with many smart home platforms, assistants and products including: Amazon Alexa, Apple HomeKit, Google Assistant, Microsoft Cortana, IFTT (If This Than That), Razer, Samsung SmartThings, Spotify, and Corsair.
