

## BRAND

Philips Hue

## DESCRIPTION

The Amarant White and Color Ambiance linear ground light features integrated LED to illuminate outdoor spaces with over 16 million colors and 50,000 shades of white from warm white to cool daylight (2000K to 6500K color temperature). Setting up the light requires downloading the free Hue mobile app and adding the Philips Hue Bridge (sold separately). You can then use the mobile app to select color and brightness, automate it for welcome and security, or use an outdoor motion sensor (sold separately) to automatically trigger the light when it senses motion. Required power supply and Hue Bridge sold separately. Included components: White and color ambiance linear outdoor light with attached 21 inch cord, 96 inch low voltage extension cable, and T-connector. The Bridge is required for Philips Hue outdoor products. The Hue Bridge can support up to 50 lights and smart accessories throughout your entire home. The Hue Bridge allows for compatibility with many smart home platforms, assistants and products including: Amazon Alexa, Apple HomeKit, Google Assistant, Microsoft Cortana, IFTT (If This Than That), Razer, Samsung SmartThings, Spotify, and Corsair.
