Hue Bridge V2.0

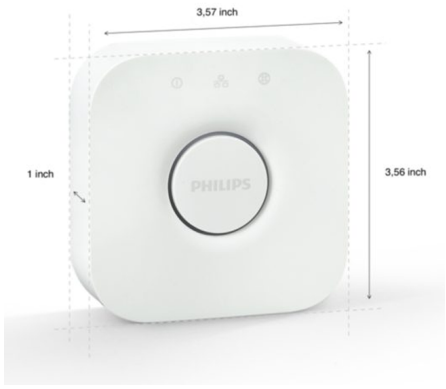

By Philips Hue

Description

The brains of the Philips Hue smart lighting system, the Hue Bridge allows you to connect and control up to 50 lights and 10 accessories. Simply plug it in, connect the Hue Bridge to your router, and control the smart lights in every room by voice or download the Hue app (IOS 13 and above / Android 8.0 and above) to set routines, timers, custom light scenes, and more. With Zigbee technology, as you add lights each one becomes a repeater of the Zigbee signal, extending the range of your entire system and allows your lights to continue to work even if your internet is down. Control all of your indoor and outdoor lights in the same app. All Philips Hue lights, including Bluetooth capable ones, work seamlessly with the Hue Bridge. Included items: (1) Hue Bridge, (1) Ethernet network cable, (1) power adapter.The Hue Bridge allows for compatibility with many smart home platforms, assistants and products including: Amazon Alexa, Apple HomeKit, Google Assistant, Microsoft Cortana, IFTT (If This Than That), Razer, Samsung SmartThings, Spotify, and Corsair.
