Audrey Narrow Dining Table

By Copeland Furniture

Description

The Audrey Dining Table features an extendable rectangular tabletop atop a trestle base with curved legs for a look that is both contemporary and classic. The double X formation of the trestle creates a state of dynamic tension, giving the design a rigid base that provides diners with plenty of unobstructed leg room. The 24 inch leaf stows away beneath the table when not in use for easy access. The wood is treated with multiple coats of silky smooth varnish and sanded by hand to provide lasting protection that is resistant to stains, moisture rings, heat damage and abrasions.
