

BRAND Currey and Company

DESCRIPTION

A traditional swing-arm wall sconce with a luminous personality, the Seton Swing-Arm Wall Sconce is made of metal in a brushed brass finish. The gold wall sconce is the perfect reading light whether it is mounted over a roomy chair in a den, a sofa in a living room, or a club chair in a library. A design detail of note is how the finish covers the entire sconce to make it feel seamless. Dimmer switch on backplate.
