Montenegro Floor Lamp

By Currey & Company

Description

Like a contemporary work of art, the name of the Montenegro Floor Lamp was inspired by the inky skies and mountain peaks of the famed country. Made of cast aluminum in a luminous black finish, this black floor lamp is one of the products that comes out of artisanal foundries where aluminum is poured into molds and cooled, contrasted with an off-white linen shade. Once formed, the shapes are among the sturdiest profiles offered in home furnishings. 3-way switch on socket.
