## St. Barts Chandelier

By Currey and Company

### Description

The St. Barts Chandelier is made of wood beads in a mix of hues that echo colors from nature. These hang from a tiered wrought iron frame in a sugar white finish. The natural abaca rope on which the beads are strung is knotted and snipped by hand to leave elemental tassels that will flutter when stirred by a lively breeze. The beaded chandelier is one of several ocean-inspired designs by Beckwith.
