Escenia Multi-Light Linear Pendant By Currey and Company

Description

The Escenia Mult-Light Linear Pendant has shades made of natural selenite. The ribs of the essential natural material are staggered top and bottom, which brings the shape of the shades added interest. The metal stems in a painted silver finish is thin so that the shades seems to float. When the lights are switched on, a beautiful glow is created by the crystal bars. Note: Requires junction box for fixtures weighing over 50 pounds.

Shown in silver / selenite crystal
